

NO MARKS TICKET

MISS DIG 811 wants companies and homeowners around the state to be on the lookout for excavators digging without first contacting 811

- When you see an excavation site with no utility markings and believe utility lines exist in the area, contact MISS DIG 811 to place a No Marks Ticket
- Can only be placed by calling 811
- MISS DIG 811 NSR will check area using the NEAR TICKET tool to determine if a Dig Notice was placed
- Can be placed anonymously AND with or without the company name that is doing the work
- Will be sent to all members with utilities at the work location
- Will have a **YELLOW** Auto Response: **REPORTED EXCAVATING WITH NO VISIBLE MARKS**
- MPSC will also receive the ticket
