

Tri-County DPA
9/21/18
Saginaw CRC

ATTENDEES: Travis Hare – SCRC, Tim Brown-SCRC, Paul Gohs-SCRC, Shannon Taylor-USIC, Mike Todd-CMS, Christine Davis-Champagne Marx, Ed Brown – Davison City, Paul Harding-MISS DIG 811

ABSENCES:

PRESENTATION: Paul Harding did a brief presentation on Work Stoppage Codes.

DISCUSSION: The presentation led to a discussion on how the work stoppage has affected the participants and their companies. SCRC workers had questions about the “routine road work going no deeper than 12 inches below grade” exemption; Also discussed was the recent gas disaster in Massachusetts. There was also a question about member contact info, and how to obtain it when there’s an issue on a ticket. Some participants have had trouble gaining assistance thru the Norification Center.

ISSUES: Because of meetings being held in the main office, the DPA meeting was held next door at the SCRC Sign Shop. The sign shop was set up very nicely though, so it really wasn’t an issue at all.

NEXT MEETING

Topic:
Date: 10/18/18
Time: 9:30am
Location: Saginaw CRC
