

Tri-County DPA
2/15/18 9:00am
Saginaw CRC

ATTENDEES: Ed Brown – Davison City, Tim Brown – Saginaw CRC, Mike Ecker – SCRC, Scott Hare – SCRC, Bruce Campbell – MISS DIG 811, Paul Harding – MISS DIG 811, Omar Orizaga – CMS, Matt Tagget – Bridgeport Twp, Jarrett Taylor – Bridgeport Twp, Cathy Kelbey – CMS, Shannon Taylor - USIC

ABSENCES:

PRESENTATION: Bruce Campbell did a presentation on Abandoned Facilities; Paul Harding went online & presented the NEAR Ticket, and also went on the MISS DIG 811 Website to show where best practices & other features could be found, including sewer leads.

DISCUSSION: The conversation was lively, as along with the topics, there was discussion of the previous Certification course hosted by Tri County at the Saginaw CRC Sign Shop was a big success with 48 people attending the event (the high to this point of 2018). We discussed abandoned facilities, which sparked some sidebars about emergency tickets. There was much concern about non-emergencies being labelled as emergencies, while the point was made that – on average – only 3% of tickets are classified as emergencies. We also talked at length of marking sewer and water leads, then discussed prep for the Tri-County Contractor Kick-off, taking place on February 28th at VFW Hall 9809 in Kochville Township.
