Yes

No

Have you Adopted Gold Shovel Standard?

Yes

No

---

Member Fee

---

Credit

\*1/3 Off credit will be applied towards member's base membership fee for three years. Member must maintain Gold Shovel Standard Certified in order to continue receiving the credit. If at any time member loses certification, there credit will be prorated. If the base fee changes, the credit will be adjusted accordingly.

The vision for MISS DIG 811 Gold Shovel Standard Committee is a safer Michigan where all excavators demonstrate exemplary caution around buried infrastructure and all locators demonstrate exemplary performance in locating buried infrastructure and where both can be recognized and rewarded for their superior performance.
