Adam Helfman

 Hire it Done

MISS DIG 811 is joining Adam Helfman on the *Hire It Done* radio show to promote safe digging. MISS DIG CEO, Bruce Campbell will be in the studio with Adam this Saturday, April 27th.

The radio show airs from 7 am to 9 am on *97.1 The Ticket* in Southeast Michigan. You can live stream the show through the website: <https://www.hireitdone.com/> and on Facebook: <https://www.facebook.com/HireItDone/>. Subject Matter Experts are available throughout the show on their Facebook blog to answer questions and provide information.

MISS DIG 811 Education Specialists are available to meet with you at your office or job site to discuss safety and damage prevention topics of your choosing at no cost to you.

Our presentations and toolbox talks can be tailored to your company's interests and needs. They can last from 15 to 60 minutes based on your availability.

You may request a toolbox talk from the Education page on MISS DIG 811's Website <http://www.missdig.org/> or click the button below.

Toolbox Talks

Language Assistance

MISS DIG 811 is pleased to offer the following resources for those whose first language is not English. Please pass these resources along to those who will benefit from the material.

Translated material

- [Public Act 174 Quick Reference Guide Spanish \(provided by DTE Gas\)](#)
- **NEI Brochure**- Available in [Spanish](#). This will help you identify pipelines and other underground facilities, prevent damage, project yourself in the event of a pipeline-related emergency, and report an emergency or suspicious activity.

Language Interpretation Service

We now utilize Lingualinx as an over-the-phone interpretation service. This is available 24/7 in over 200 languages.

Simply indicate to the MISS DIG 811 representative that you require language interpretation assistance and they will connect you with Lingualinx.

Click below to view a list of the languages available for interpretation.

National Excavator Initiative

"Safety first" is a common message. Don't put your safety in someone else's hands. Your safety is your responsibility. Always call 811 before digging. April is National Safe Digging Month. Visit www.safeexcavator.com to learn from the experts on safe digging practices, and meet micro Mike Rowe.

Damage Prevention Associations

Damage Prevention Associations (DPA) are looking to municipalities, excavators, and facility owners in their regions to exchange information, discuss potential conflicts, best practices, rules & regulations surrounding excavation, and PA 174.

If you would like to attend a meeting but are unable to travel to a location below, you may access them remotely. *Participation is needed by the excavating community to keep DPA's viable.*

- To access remotely, call 248-724-5800 ID (827817)

- When available, visual aids may be viewed during the meeting with JOIN.ME at <https://www.join.me/damageprevention>

To view DPA contact information, location details and meeting minutes, go to the Education page on MISS DIG 811's website and click Damage Prevention Associations (DPA's) or [click here](#).
