DISCUSSION: Talked about retransmits and how to pay attention to the Positive Response Due Date not the title on the ticket (RUSH, SHORT). Lots of retransmits coming in to Plainfield. Kent Power had some locating issues in a mobile home park that Jeff Dickey helped them out with. Sherri Lyman is Pam Borgeld's replacement for DTE; this was her first meeting. Kay Lancour will be the new PSO replacing Jeff Dickey but she was unaware of this meeting. Added them both to the contact list. Talked about amping up attendance and may look at schedule dates to make sure the meeting falls before it gets too busy like May. Everyone is busy or behind.
