

**Tri-County DPA**  
1/17/19 @ 9am  
Saginaw CRC

**ATTENDEES:** Scott Hare & Mike Ecker – Saginaw CRC, Mike Todd – CMS, Ed Brown – Davison City, Eric Baumer – USIC, Paul Harding – MISS DIG 811

**ABSENCES:**

**PRESENTATION:** NONE

**DISCUSSION:** A small group but good discussion. Still working on setting a date for the Tri-County Spring Kickoff, but aiming now towards late March – Early April. Ed from Davison recently attempted to put in a no marks ticket, but was given a very hard time by the MD operator, so will look into that. A lack of education being done with elementary kids was brought up. I brought up how much I’m stressing documentation with timestamps on 2<sup>nd</sup> requests and later, telling people not to rely on the Good Ole Boy network of calling locators directly, which has been an issue this year. CMS will be working with their dispatchers again this year to fix MD issues. Eric mentioned that he received quite a few non-emergency emergencies from Saginaw City and a local contractor. Saginaw will be hiring 20 workers to replace lead service lines within the city. CMS can now see who the staker was on a dig notice.
