

Date: _____

TO: MISS DIG System, Inc.
3285 Lapeer Road West
Auburn Hills, MI 48326

SUBJECT: AGENT FOR MEMBER – Assignment of Responsibility to a third party

Please consider _____ (list company to which you are assigning responsibility), the agent for _____ (member of MISS DIG 811).

We, the member, grant the above agent permission to:

- Receive locate/staking requests. This may include design tickets if the option is selected below.
- Perform Positive Response posting.
- Update and change the mapped area(s) of notification in our codes listed below.
- The ability to update our contacts, places, and ticket delivery.
- The ability to search our MISS DIG 811 tickets on the long-term server from a backlog of six-years as required for retention under state law. (NOTE: This feature is available in most RMA accounts and will be included. It is listed separately for the benefit of third parties who are only being granted access to search tickets.)
- Billing: Allow our agent to receive, discuss, and/or pay our annual fee. The member does not allow the agent to add services that result in any additional charges to the member without approval from the member, i.e. additional databases.
- Billing: Allow our agent to make changes to our membership that may result in a fee.

This permission is granted for:

- All of codes (or facility types) under this membership, including design code.
- All of codes (or facility types) under this membership, NOT including design code.
- For only these specific codes or facility types:

This permission is granted until we, the member, send written notice of termination to MISS DIG System.
