**Meeting Minutes:**

1. MISS DIG 811 work products
  - a. 2020 Weekly Comparison – everything from last week was up over the previous week. We are already at 1500 locate requests this morning and over 2000 this past weekend.
  - b. RXMT and 999 Percentage - 1st week in June both under 6%. These include destroyed markings as well. Seven percent is the system norm.
  - c. Escalation Reports- (If a member has 10 or more retransmitted unmarked facility tickets that posted a 999 the previous day)- 37 members have received the report at least once since inception on April 23. In May a total of 130 reports were created and emailed to members.

Comcast, URG, USIC, and DTE Gas receive a daily report. Some muni's have received this report and are taking measures to correct.

d. Damage Increases-MISS DIG 811 Awareness updates – CE has seen an increase in damages both underground and overhead. Gail reviewed the PowerPoint that was sent out with the mornings documents. Bruce will send out a follow-up email with instructions on how to get on MISS DIG newsletter & Constant Contact lists. We also accept suggestions for articles to add to our newsletter.

e. Open Items

i. Locate Demand Management – Still working on, will hopefully have something soon.
